*Our Mission:*

*Thomas Carr Howe Academy provides each student with the opportunity  
for success with a focus on reading, writing, and technology  
in a safe and healthy environment.*

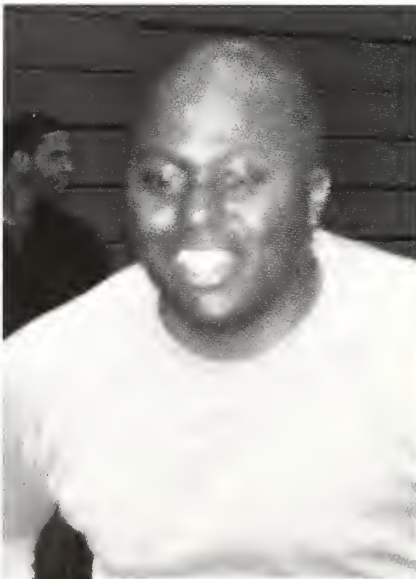

# Welcome to T.C. Howe Academy

Dr. Williams discusses Howe's beauty.

Our C.E.O., Mr. Takacs

Mr. Suggs is always on the *run*.

Mr. Seybert is having a great day thinking about math.

You often hear Mrs. Tylersay, "Are you in trouble again?" as students return to ISS.

Janice Sirmin Testing Testing 1, 2, 3.

Erma Robbins, with all she does, you have to love her.

Mr. Walker means business.

Mrs. Patterson happily registers all of Howe's new students.

I'm ready for another wonderful day at HOWE.

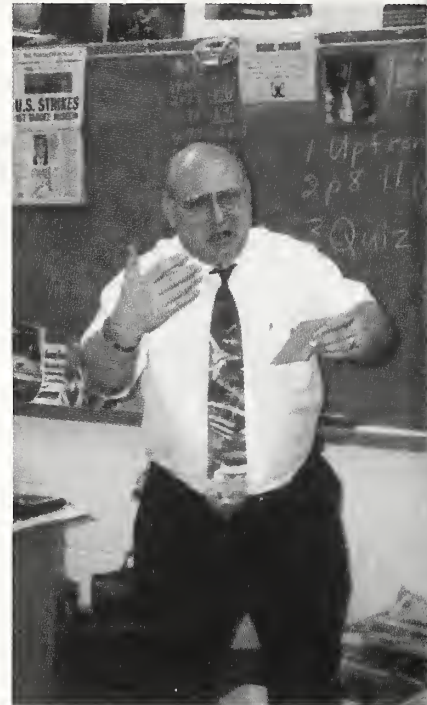

Mr. Dodd's crys "what did I do this time?" as he get a parking ticket.

Bad boys, Bad boys, whatcha gonna do when they come for you? What about Bad girls?

Sgt. Sheron

Officer Calvert, hard at work, writing Mr. Dodd a parking ticket. "Really, Mr. Dodd is parking that hard?"

Howe's New Magnet Coordinator Lon Amstutz.

# *Support Staff School Police*

These are not the teachers that run the classes, but without them, classes would not go very smoothly, or even at all. Many teachers know that it is really the support staff that runs the school. We are thankful to have such a wonderful and knowledgable support staff that is willing to help out in a variety of ways.

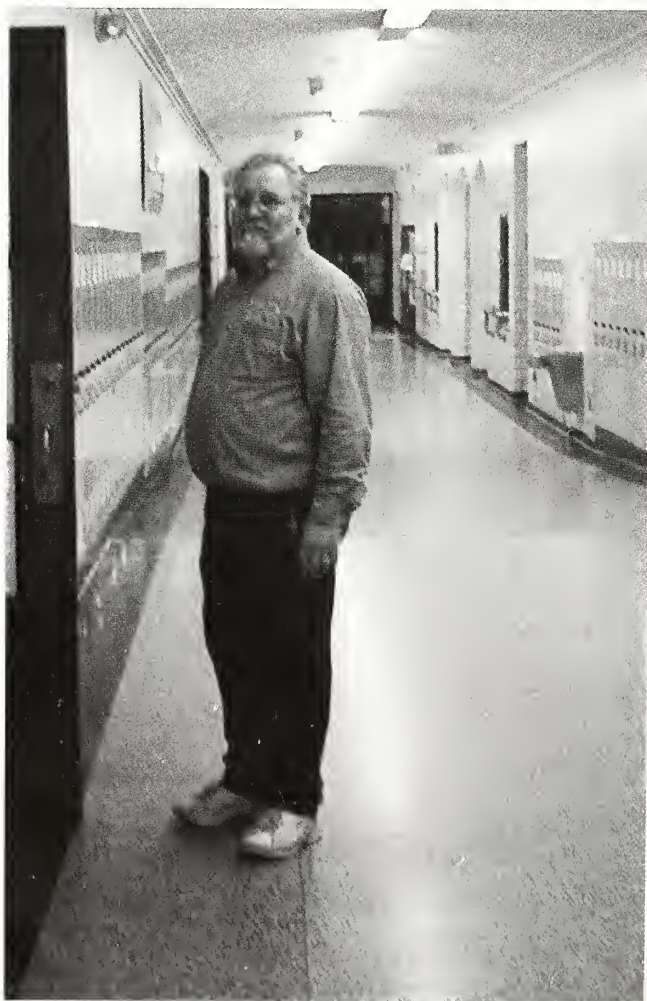

Mrs. Milenbaugh and Mrs. Shultz discussing some of Howe's new technology.

Will the real "Linda Smith" please sit down.

# *Cafeteria Custodians and Media Center Staff*

Mrs. Loyal is our Head Custodian at HOWE.

Mr. Ramsey is an extra set of "eyes" in the sixth grade hallway. Is he watching you right now?

Ms. Pinner is always smiling and cheerful, even though she cleans up some of the huge messes that the freshman leave for her.

Here is our Café Staff, they are always good to us; they make sure that we are well fed. Be sure to thank them for all of their work.

Ernie has been working at HOWE longer than Mrs. Shultz has been alive! He is the grounds keeper here at Howe.

Mr. Douglass has been in IPS for 25 years this year. Wow, that is a long time!

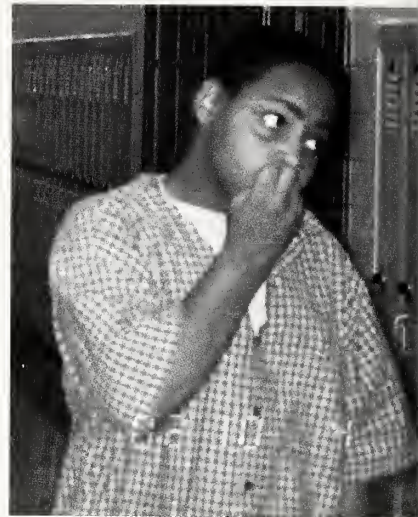

Mr. Ramey is our media specialist. He is always willing to assist students in a variety of ways.

# Good Times at Howe!

Sometimes school can be very “nerve wracking”, to the point that some students bite thier nails.

Here is Ebony Collins with a Cheesy grin on her face. Ebony would that be a Swiss cheese or a Cheddar cheese grin?

For the sixth graders, a school the size of Howe is very intimidating. They do learn to get by with a little help from their friends. They know that there is safety in numbers.

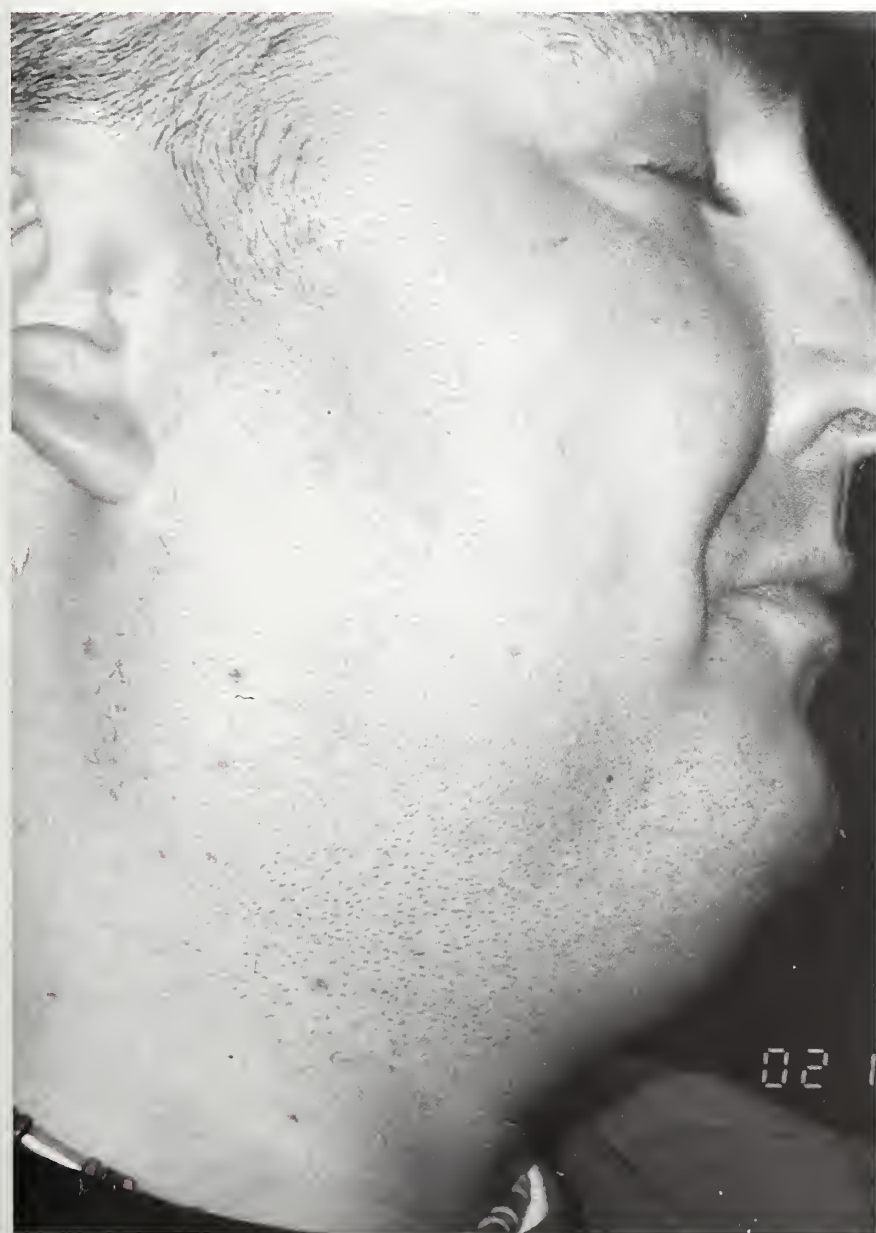

Time to just "hang out" is greatly appreciated by these students.

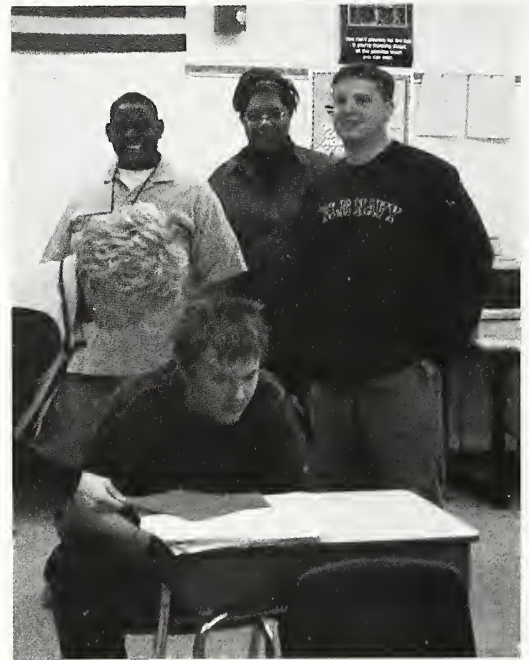

This is a picture of the creature that is known to many of the students here at Howe as Mr. Strange. He is seen here trying to avoid the camera, it doesn't appear that he was successful.

## *A new place for many!*

For many of the students are attending Howe for the first time. It is a large buliding with an approximate population of 1250. There are many new faces, sights and sounds to see here in the building. For many it can be a scary experience.

# School is Cool

## At Howe, everyone is involved in athletics.

T.C. Howe Basketball had some success in the 2002-2003 season!

The Freshmen Boys Basketball team ended the 2002-2003 season with 6 wins and 6 losses. Out of twelve games, the Hornets were very competitive in ten. Not bad for a team with inexperienced players. David Burns led the team in scoring with a 15.6 scoring average. Robert Fox led the team in rebounding. Devin Carillo was named the Most Improved Player for the Hornets. Not only did Devin improve throughout the year, but he also had the highest grade point average on the team. Coach Sembly is looking forward to great things from the class of 2006, in the years to come.

Good Job Hornets!

Even the girls are getting into the action as they play the crowd pleasing Teachers Vs. Students game in front of the entire school population.

Row 1: Head Coach, Coach Sembly, Jahron Allen, Chad Carson, Thomas Bohannon, Robert Fox, Dewayne Gilmore, Josh Fitzgerald, Coach Picharz. Row 2: Louis Board, Devin Carrillo, David Burns, Gershen Gerbrekidan, John Ward, Brandon Williams, Stephen Taylor. T. C. Howe Academy Boys Basketball Record 6 win, 6 Losses

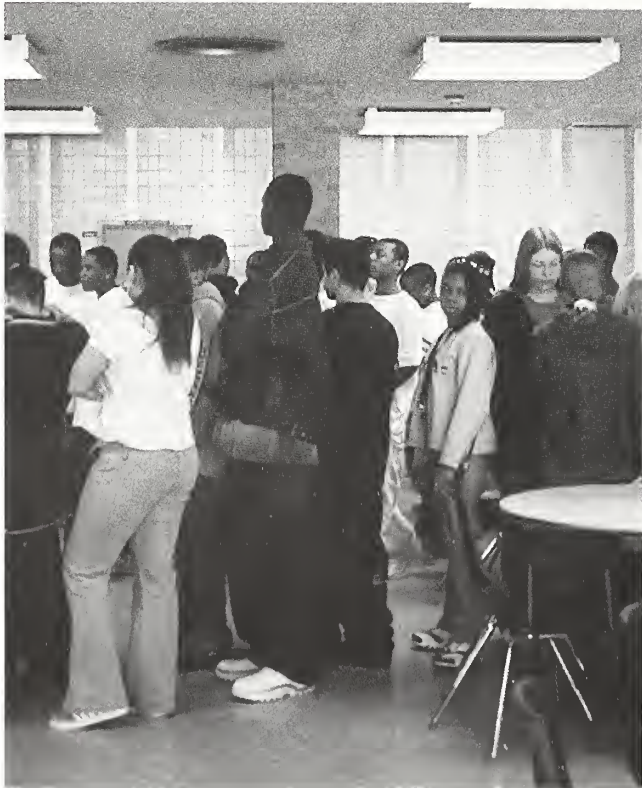

Mr. Wilson sells milkshakes to provide our students with proper attire to participate in athletic competitions. Thanks, Mr. Wilson!

What a turnout for the boy's basketball game, our boys really bring them out.

The Adventure Club has taken several trips this year consisting of river canoeing, rock climbing, and skiing.

The new science labs were under construction during much of the year.

## HOWE's ACTIVITIES

The rest of the story.

Here at T.C. Howe we are going through many changes as we learn and grow. We take part in all sorts of activities. They include clubs, after school activities and many other activities. We even have a new in school DJ for our dances that just happens to be a student. We change and learn as we grow here at HOWE.

Here is Mr. Spencer saying STOP once again! He is always helping out with the safety of students.

Getting down and FUNKY at the Valentines dance.

Here is the Sixth Grade Girls Basketball Team during one of the many pep rallies.

Everyone needs to get to class. Here in one of the stairwells, a few freshman show us the fine art of "Strolling" to class.

Devin Carillo "DJ COOL OF T.C. HOWE SCHOOL" mixing up the cuts. Who doesn't know this guy???

Even some of the sixth graders think at times that they have found true love!
